Code 404 requirements (Statutory Requirements)

1. Eligible vehicles are those 25 years or older.
2. Code 404 requires that vehicles must be factory standard or factory optioned. Modifications are not permitted, unless approved in writing by the C.M.C. Technical Committee. The onus is on the owner to fully comply with all the requirements of Code 404 including remaining a financial member of a Car Club at all times and maintaining the car in an original unmodified condition. Failure to do so will result in the vehicle being deemed unlicensed and therefore uninsured.
3. Familiarize yourself with the clubs "*Concessional Licencing Rules*" and the CMC "*Concessional Licence Code 404 Information Booklet*" and be certain that you can comply with all requirements.
