PRESIDENTS REPORT

Welcome to the August – September edition of Holden Torque Newsletter.

Thanks to all the members who showed up at our recent Annual General Meeting, it was great to see so many members participating in such an important club event.

With the exception of Club Merchandise & Events Coordinator all the committee positions remained the same. I would like to welcome Jim Salmon as the new Merchandise Manager, and Craig Poole as the new Events Coordinator. I would also like to thank the exiting committee members, Barry Bettens and Bruce Jones for all their efforts during their time in the committee, both these roles require a lot of hard work and we appreciate the dedication they have both shown to the club. We now have a vacancy for Property and Equipment Manager that needs filling, so anyone who is interested can give me a call.

We have just enjoyed a great Pie and Lamington cruise to the wonderful museum owned by Bert and Angie Hayes in the picturesque Grass Valley region situated between York and Northam. 25 vehicles assembled at our meeting point at the corner of Farrall Road and Great Eastern Highway before setting out in convoy on what was perfect winter's day to our destination. Thanks to all the ladies who provided morning tea and special thanks to Robyn Jones who worked so hard to ensure that all 50 or so members had lots of hot pies and delicious lamingtons to eat.

Another reminder that **GM Owners Day** is to be held at Steel Blue (Bassendean) Oval on Sunday the 16th of November please keep it free so you can bring your car along and display it in the fantastic Holden Car Club Display. Also remember to tell all your friends and family to attend so we can make this year's show another great success. If you feel you can help out in any way either leading up to, or on the day itself, please let me know.

I look forward to seeing you all at the upcoming events, please feel free to contact me on any issue relating to our club on 0419 476 954.

George Monaldi

12 October – RSL Open-day Show and Shine at Club Rooms

Council of Motoring Clubs Report

Terry Snelgar reported on the most recent CMC Meeting.

DOT is now charging \$50.00 for each seat belt exemption, however clubs may obtain a blanket approval for events.

The Whiteman Park Motor Museum has a very nice Jack Brabham display in his honour.

The CMC did not send a delegate to the Australian Historical Motoring Federation in Canberra this year as it is thought that there would be little value gained.

The Classic Car Day in 2015 will be held on May 3.

There is still no definitive word from DOT on code 404 licensing changes.

GM Owners Day Update

A mail-out to clubs has been delayed due to problems being experienced gaining a major sponsor.

Craig Thorning has managed to acquire several donated items to be raffled in association with GMOD including a King Chrome Storage Cabinet valued at \$350.00.

General Business

A suggestion from the floor at the last meeting to promote events through Facebook has been adopted.

The Committee decided that the \$500.00 AutoOne vouchers received as a prize for best display at the Classic Car Show will be split into one large raffle prize of \$250 and the remainder to be split into smaller prizes.

It was suggested from the floor that the Committee look at the possibility of a Club Calendar for 2015. The Committee will consider the suggestion.

A request from the floor for members to attend a Monday morning meet for coffee at Captain Munchies in Fremantle was approved as a Club event for the purpose of code 404 licensing.

The meeting closed at: 3.02pm

Next meeting: 13 September at 2.30pm

AGM MEETING MINUTES

The President welcomed all members to the Annual General Meeting

The minutes of the Annual General Meeting held on 13 July 2013 were read out by the Secretary

Moved as a true and correct record: Terry Snelgar

Seconded: Roy Whitchurch

President's report:

Our clubs 30th year will certainly be remembered as a busy one, once again your committee has worked very hard to deliver an events calendar full of interesting and entertaining activities for its members. The events held over the past year were,

- Nostalgic movie night.
- Annual Pie and Lamington run to Grass Valley.
- Targa West Display Langley Park.
- Weekend trip to Kellerberrin to the Marek garage.
- Annual Show and Shine in Guildford.
- Picnic Day.
- Brockwell Port to Whiteman Classic Car Run.
- Christmas function.
- Christmas Cruise and supper at the Fitzgerald's.
- Australia Day Breakfast.
- Drive in movie night.
- Summersun Cruise.
- Busselton long weekend away.
- Dennis Klarich - HCC 30th Birthday cruise.
- All Aussie Day Waroona.
- Whiteman Park Classic car show.
- Dinner and Movie night.
- Kalgoorlie Desert Lions record attempt.
- Breakfast at the Left Bank.

We also held 6 General Meetings, a total of 25 events for the year.

The year will also be remembered for the changes to our code 404 or concessional licensing rules and requirements. Like many other car clubs who offer this service to its members, we were taken aback by the changes when first announced.

Whilst we have no choice but to abide by the new rules, your club has introduced a new checklist for all future concessional licensed vehicles to protect our club should a breach involving the authenticity of these vehicles ever occur, and we thank Jim Fitzgerald for putting a lot of time and thought into developing this checklist.

A huge thank you to one of the best committees a club could ever wish for, this cohesive, hardworking team of people make my job very easy.

To all the helpers who constantly cook, bake, prepare and just help out at events and general meetings, we thank you also, your work is very much appreciated and does not go unnoticed.

George Monaldi
President

Elections

The President thanked the outgoing committee and declared all positions vacant
The chair was occupied by Len Douglas who presided over the election of President.

President:

Pre nominations for the position were received from George Monaldi and Barry Bettens
There were no nominations from the floor.

Because more than one nomination was received for the position, a ballot was held resulting in a majority vote for George Monaldi who was duly elected as President.

The President then took the chair to preside over the remainder positions
The following nominations were received and carried without dissent or further nominations from the floor.

Secretary: Len Douglas

Treasurer: Allan Williams

Vehicle Registrar: Jim Fitzgerald

Newsletter Editor: Tim Tapping

Web Editor: Rhys White

Property Manager: Barry Bettens.

Merchandising Manager: Jim Salmon

Events Coordinator Craig Pool

Liaison Officer: Craig Johns

General Business:

The method of operation of the Bank Account held by the Holden Car Club of WA inc at BankWest 54 Adelaide Street, Fremantle will be for one authorised Committee member to sign solely, namely Allan Williams, Len Douglas and George Monaldi

A special thanks was extended to the members who provide the excellent afternoon teas at the conclusion of each meeting throughout the year.

The President thanked Bruce and Robyn Jones for their effort during the year putting together an excellent events calendar and welcomed Rhys White, Jim Salmon and Craig Poole to the new committee.

A Note from The Editor

Hi All

Thanks to everyone who supported my nomination for Editor. It is good to see Craig Poole and Jim Salmon join the committee. The committee looks great for the future with the addition of these two new members and their families contributing ideas and energy into organising activities for the club. Also congratulations to all the hard-working existing members who were re-elected back on to the committee. I also want to say a personal thanks to Barry Bettens and Bruce Jones for the invaluable work that they have put into the club as committee members.

If anybody has any articles or photos that they are willing to share with members please don't hesitate to pass them on to me for inclusion in future editions of Holden Torque.

Till next issue Safe and Happy motoring.

Tim Tapping...
